**Reference:** CSO/MO/2023/05/03

Dear valued relation,

We hope this communication finds you well.

CSO likes to inform you that Oman Maritime Waste Treatment LLC (OMWT) is ready to organize waste removal from Vessels via the landside (terminal), as per Sunday 07/05/2023.

This means that the current operational practice remains: 1 garbage skip will be placed by CSO alongside the vessel, by default. In case more garbage skips are required, these can be ordered by the Vessel agent with CSO as per common practice.

The CSO garbage skip charge as defined in clause 10.3.6.2 of our Published Tariff will not be charged by CSO to the Agents from Sunday 07/05/2023 onwards.

In case of questions please contact your account manager.

Your sincerely,

  
Martin Ouwerkerk  
Head of the Commercial department
